

## Tentative Outline

### Special Thematic Issue for the Journal Pharmaceutical Nanotechnology

#### Title of the Thematic Issue:

**Advances in Topical, Transdermal Delivery Systems and Understanding of Skin Biology**

***Guest Editor: Dr Purnendu K Sharma***

- **Scope of the Thematic Issue:**

Topical Delivery

Transdermal Delivery

In vitro permeation studies (IVPT)

Skin Biology

In vitro topical screening methods

Dermatology

Skin immunology

**Keywords:** Novel technology, toxicity, derma, efficacy models, assessment, immunology.

#### Sub-topics:

- Novel delivery approaches
- Mechanism of topical and transdermal delivery
- In vitro efficacy models for topical and transdermal delivery
- Dermal toxicity assessment
- Understanding of Skin Biology

#### Schedule:

- ✧ Thematic issue submission deadline: **30 May 2023**

#### Contacts:

*Guest Editor Name: Dr. Purnendu Kumar Sharma, Ph.D.*

*Affiliation: Takeda Pharmaceuticals*

*Email: purnendusharma@gmail.com*
